Recital
for First Time Parents

Performers should arrive at the theatre dressed in their first costume with their hair and makeup done.

Drop Off

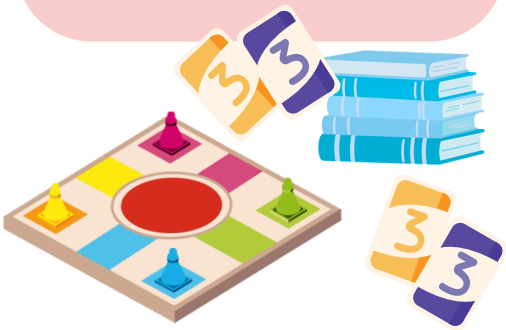

Please drop your Performer off in the lobby of the theatre. There will be signs, and staff directing you where to go!

Lanyard

At drop off your performer will be given a lanyard, and you will receive a card with a matching number. This is required for end of show pickup!

Showtime!

Once your Performer is dropped off parents can visit the concession, and enter the theatre to find their seats.

Backstage Care

Our background checked volunteers, and staff will supervise your Performer backstage with games, books, and activities!

Show Length

Your Performer will be backstage for approximately 3 hours. Please pack snacks that are nut and mess free so they won't stain their costume.

Pickup

You can pickup your peformer after their last show in the lobby of the venue. Please send one grown up to the pickup area - don't forget your card!

Thank You

for being a part of this performance!

Hair & Makeup
for First Time Parents

Makeup

Stage lights are bright and can wash out the features of our Performers. We recommend doing light makeup to help define their features, and allow you to see their joyful expressions from offstage.

We recommend using:

- Foundation
- Blush
- Lipstick
- Mascara

Hair

Hair should be in a slicked back, half up half down ponytail style with curls!

If this style won't work for your Performer, check in with the office for alternative styles!

Products we recommend:

- Thick ponytail holders that match your hair colour.
- Hairpray
- Hair Wax
- Curling Iron or Curling Wand
